

# Gunumeleng

The most **dramatic** season of all!

**Dramatic?** Storms come and go – warm rain needs to be experienced to be believed. Frogs call; birds sing. The land turns **green**, almost as you watch.

**Our Gunumeleng (Build Up) trips are the most laid back and relaxed** that we offer – early starts, early finishes and long lunch breaks sitting by tranquil pools.

**Curious? Check out** our new Build Up page, [www.bushwalkingholidays.com.au/buildup.shtml](http://www.bushwalkingholidays.com.au/buildup.shtml) Better still, join us and see for yourself.
