

Willis's Walkabouts

Kimberley Highlights 22 August - 7 September

This is a wonderful trip that doesn't get the attention it deserves. You begin with a leisurely four-day paddle down the Ord River, stopping to explore places most paddlers never see. This is followed by a six-day off track walk in the Carr Boyd Range where swim follows swim as you make your way past numerous spring-fed waterfalls. The final section is again untracked. You drive to El Questro, take a helicopter into the Cockburn Range and do a leisurely seven-day walk past art sites, pools and caves as you work your way back to where you began.

Too long? All three of the sections can be done on their own.

On all sections, you spend your evenings relaxing by the fire as your guide cooks you a three-course meal.

If you'd like a relaxing wilderness experience in three of the Kimberley's best areas, you owe it to yourself to have a look at the trip notes on our website.
